

AP CALCULUS AB/BC & AP STATISTICS PRACTICE EXAM

8:30 AM – 1:30 PM

First Baptist Church of Agawam
Saturday, March 31, 2012

Mark your calendars! MATHWEST is again pleased to announce that it will help sponsor practice AP Calculus AB, AP Calculus BC, and AP Statistics exams for students in Western Massachusetts on Saturday, March 31, 2012. In case of inclement weather, the snow date is April 7th

The session will allow students to take either the 2008 AP Calculus AB/BC exam or the 2007 AP Statistics exam in an appropriate and timed atmosphere. Following the exam, lunch will be served. Before the students leave, they will receive their graded test, a score, and a complete answer key.

All AP mathematics students and their teachers in Western Massachusetts are invited to attend. It will take place in Agawam at the First Baptist Church on Main Street. The registration cost of \$15 per student will help to defray the expenses of the event, which includes materials and lunch for all participants.

Again this year, we are requiring a faculty member to accompany students from their school. The faculty member will assist with grading. All educators that attend and grade will receive a gift card compliments of MATHWEST.

Students will start the exam with the open response problems, followed by the multiple-choice sections. This is done to allow time for the instructors to grade the open response problems while the multiple-choice sections are administered.

The registration deadline for participating is Friday, March 16th. At that time, a completed registration form for each student indicating the exam they will take, and including the \$15 registration fee, must be sent in.

If you have any questions or concerns, please feel free to contact Scott Trahan of Agawam High School at (413) 821-0530 or email him at strahan@agawamteachers.org.

Schedule of Events

8:30 Registration and Continental Breakfast
9:00 Open Response Sections Administered
10:30 Break
10:40 Part A of the Multiple Choice Administered
